

Information Update – Stormguard Threshold

Tradelink are pleased to confirm we are now able to rationalise our range of Stormguard thresholds by offering the solution noted below on both Rehau & Kommerling PVCu doors. This threshold is now the **ONLY** option available on Kommerling PVCu Doors.

Open out threshold – Stormguard Proline AM5EX70

Open in threshold – Stormguard Proline AM370

Stormguard Proline ramp (part 04CP224)

The Stormguard threshold is a tried and tested industry leading solution for wheelchair access. The selected thresholds are available in Silver or Gold finishes. These thresholds can be sat on a standard cill or direct fixed to the floor. If you require ramps please indicate inside/outside/double at the time of ordering.
